St. Vincent's Mobile Mammography Coach Will to Provide Mammograms at the 2011 MATE Show and Home & Health Expo

Billings, Mont. – St. Vincent's Mobile Mammography Coach will partner with the NILE once again on Saturday, Feb. 19 to offer on-site mammograms to MATE Show and Home & Health Expo attendees. The coach will be parked just outside the Montana Pavilion at MetraPark.

The Mammography Coach is a 40 foot long, \$500,000 screening lab on wheels that was commissioned in 2010 in order to increase cancer screening for women in rural communities, who are 20 percent less likely to get mammograms than those living in urban areas.

Women are encouraged to make appointments by calling St. Vincent Yellowstone Breast Center at 406-237-4373 prior to February 19. Insurance, Medicare, and Medicaid cards will be accepted and EVA mammograms will be available to the uninsured.
